Memo For DD/S

From DTR

Subj. Response to IG's Survey of the Office of Training (Nov 67)

Date 11 Jan 68

Recommendation #1 - We should comment that the DD/P has already done a great deal to ensure that operations officers in the CS are made aware of the advantages of a tour of duty in OTR. He has been very cooperative in supplying a number of excellent instructors during recent months and we wish to express our appreciation for his efforts.
